

WALTER WELLMAN HEARD FROM.

He Sends Word Back That All Is Well With His Expedition.

LONDON, July 28.—Carl Siewers, the Norwegian Arctic enthusiast, last night received a telegram from the captain of the Erling, a Norwegian sealer, which arrived yesterday at the Island of Tromsø, Finmark, Norway. The captain of the sealer said in his dispatch that near Amsterdam island, in latitude 84 north, and 0 longitude, the Erling spoke the Ragnvaldjar, the steamer which was conveying the Wellman Arctic expedition to the edge of the packice.

The Ragnvaldjar, in reply to signals, asked to be reported at the nearest place the Erling touched, saying that all were well on board.

The Ragnvaldjar had been beset by packice, which had delayed her progress considerably. But Wellman and his party were then free of the packice, and they should now be well on their way to the north pole.

The Jackson (English) expedition, which passed Tromsø Thursday, is fitted out very much after the manner of the American party, under Wellman, with aluminum boats, etc., and they also will leave their ship, the Windward, at the edge of the packice and make a systematic, determined effort to reach the pole.

He Killed a Policeman.

CLAYTON, Mo., July 28.—Harrison Duncan was hanged for the murder of Police Officer James Brady, whom Harrison murdered in a crap-shooters' den, run by Charles Starke, at 710 North Tenth street, St. Louis. Duncan was one of a large number of negro gamblers whom Officer Brady, assisting two brother officers, tried to round up. In the fight ensuing Brady was shot and instantly killed. The trial was held and execution took place at Clayton by reason of a change of venue.

Drouth in Missouri.

CHILLICOTHE, Mo., July 28.—A drouth of one month's duration is seriously affecting the corn crop in this vicinity and throughout north Missouri generally. Christians assembled in every church in the city to offer up short prayer for rain. The services of "rainmakers" are being sought, but though many citizens offer \$100 each, no element bombardier can be secured. The corn crop will be a failure unless rain falls this week. The thermometer registered 105 in the shade yesterday.

Was Scalped and Died.

BELLAIRE, O., July 28.—John Hoey, an employee of the Long-distance Telephone company, while helping load poles on Baltimore and Ohio cars at Belmont, 20 miles west of here, was knocked from a car, and striking his head on a cross-tie, was completely scalped and one arm broken. He was internally injured and died shortly afterward.

The Railroad's Loss.

CHICAGO, July 28.—The reports of the destruction of railroad property by fire, on file in Marshal Swenie's office, it is claimed, show the aggregate loss which the railroads sustained by fire during the strike is \$335,912.

Collision—Fourteen Lives Lost.

WARSAW, July 28.—The steamer Decraitis has been in collision with a ferryboat at Grodno, on the River Niemen. Fourteen people lost their lives through the accident, and 11 others were severely injured.

Paynter the Nominee.

AUGUSTA, Ky., July 28.—After one of the most "scrappy" conventions ever held in the dark and bloody ground, Thomas H. Paynter of Greenup county was nominated for judge of the court of appeals.

Death of Ellen L. Bowman Vail.

TOPEKA, July 28.—The venerable Ellen L. Bowman Vail, widow of the late Bishop Vail, the first bishop of the Episcopal church in Kansas, and daughter of the late Bishop Samuel Bowman of Pennsylvania, is dead. Mrs. Vail was a great sufferer, and for 15 years has been totally blind.

No Strike Will Take Place.

NORFOLK, July 28.—Chief Arthur of the Brotherhood of Locomotive Engineers arrived here yesterday to adjust the differences between the Atlantic and Danville railroad and its employees. He held a conference with the managers of the road, and announced that no strike would take place.

Hailstorm in Mississippi.

WATER VALLEY, Miss., July 28.—A hailstorm of unusual severity swept over the northern section of the state, last night. The stones were of enormous size and fell so thick and fast that ditches on plantations were jammed and lowlands flooded. The damage to crops is incalculable.

Populists in Breckinridge's District.

GEORGETOWN, Ky., July 28.—The Prohibitionists of this, the Seventh (Breckinridge's) district, yesterday nominated Judge James B. Finnell of this city for congress by acclamation. Judge James Y. Kelly was first nominated by acclamation but declined.

Vessels Seized.

TAMPA, Fla., July 28.—The United States revenue cutter McLane seized six more Spanish vessels off Anclote yesterday. They were engaged in smuggling. A few weeks ago the McLane seized six vessels at the same place charged with the same offense.

Death of Ex-Congressman Horton.

AMSTERDAM, N. Y., July 28.—Ex-Congressman Thomas R. Horton of Fultonville died last night, aged 72. He served in congress from the Eighteenth district of New York from 1855 to 1857.

Double Drowning.

MOUNT VERNON, Ind., July 28.—Bryant Dawson and Joseph Yowell, while in bathing in the Ohio river yesterday afternoon, were drowned. Yowell's home is in Nashville.

To Be Reinstated.

CHARLESTON, W. Va., July 28.—The Chesapeake and Ohio baggage-masters all along the line, who were released from duty about two months ago, are to be reinstated.

Specimen Cases.

S. H. Clifford, New Cassel, Wis., was troubled with neuralgia and rheumatism, his stomach was disordered, his liver was affected to an alarming degree, appetite fell away, and he was terribly reduced in flesh and strength. Three bottles of Electric Bitters cured him.

Edward Shepherd, Harrisburg, Ill., had a running sore on his leg of eight years' standing. Used three bottles of Electric Bitters and seven boxes of Bucklen's Arnica Salve, and his leg is sound and well. John Speaker, Catawba, O., had five fever sores on his leg, doctors said he was incurable. One bottle of Electric Bitters and one box Bucklen's Arnica Salve cured him entirely. Sold by J. James Wood.

IN MEMORIAM.

Mrs. Fannie Brodick departed this life at her home with her son-in-law, Rev. J. K. Hittner, in Kahoka, Mo., July 26, 1894. She was born in Maysville, Ky., in 1824, was one of the fourteen children of Mr. Edward Cox, and in the year 1843, was married to Mr. Joseph F. Brodick, who survives her, as also Mrs. Phoebe Hittner, their only living child.

On the 7th day of February, 1846, Mrs. Brodick united with the First Presbyterian Church in Maysville, Ky., then under the pastorate of Dr. Grundy. The writer was well acquainted with her for nearly forty years, and bears cheerful testimony to her very remarkable religious life. She was a daily student of the Bible, and well instructed in the Scriptures; a constant attendant upon the ordinances of God's house; a faithful teacher in the Sunday school; she walked with God and is no more with us in the flesh. His mortal remains are deposited in the family cemetery in Maysville; her spirit is with the Lord.

She loved her church, her family, her kindred and many friends with that kind of affection which led her to seek constantly to serve them. She loved to sit at the Master's feet and learn of Him; she loved to serve His poor, but did not seem to be burdened or cumbered with serving—a rare combination of the peculiar traits of character, both of Martha and Mary.

More might be truthfully written which would have the appearance of fulsome eulogy. The record of her daily life—week days and Sundays—would testify to an extraordinary devotion to duty. She was sustained through great trials by the indwelling of the Divine Spirit, and might without presumption have said with the Apostle, "I have fought a good fight, I have kept the faith." She has entered into rest. She is laid in the arms of Jesus. J. B.

When Baby was sick, we gave her Castoria.

When she was a Child, she cried for Castoria.

When she became Miss, she clung to Castoria.

When she had Children, she gave them Castoria.
